SJTs are becoming increasingly popular and many attorneys have proclaimed the Queens Supreme program to be the best in the state. Both sides will achieve, inter alia, expedited caseload turnover and save substantial out of pocket expenses as there is no need to retain expensive expert witnesses. Customary high/low parameters provide plaintiffs expedited cash flow and a guaranteed trial payday. Defendants can limit their exposure. The key to a successful SJT resolution is the Evidentiary Hearing conducted by a Court Referee. Counsel can chart the course of the trial and minimize the likelihood of nasty surprises from an arbitrary trial judge. The focus of this program will be the all important Evidentiary Hearing from the perspective of the court, and experienced plaintiff's and defendant's counsel. Whether you are yet to experience your first SJT or have already conducted a dozen, everyone will learn something valuable from this program.
