To the Members of the Queens County Bar Association:

The Mentor Committee was established to provide “hands-on” learning opportunities for attorneys and law students for continued growth within the legal field. Below are the three programs that a QCBA member can participate in for the Mentor Committee.

1. The *Shadow for a Day Program*, where members can shadow a more experienced attorney in an area of law that they are interested in learning or moving over to.
2. The *Mentor Volunteer Program*, where members can call on other, more experienced members in an area of law they are not familiar with or need assistance with. Members of this program are also listed in our annual directory.
3. The *Mentorship Program*, where law student members are paired with member attorneys that will mentor the student throughout their law school career.

If you are interested in participating in one, two or all of these programs and feel that you can contribute your services to this most valuable Committee, please submit your information below to the Queens County Bar Association and how you would like to participate.

Yours truly,

Frank Bruno, Jr.
President
